Natansh Raghuvanshi

Product Designer · Bengaluru, India

natansh.design
natansh.design@gmail.com
linkedin.com/in/natansh-raghuvanshi-4600791b6

I design products, websites, visuals, motion and brands with clarity and taste — mostly for AI startups, from first brand workshop to shipped site.

EXPERIENCE

Product Design Generalist · Memetic Design — Aug 2025 – Present

Brand, web, product and motion design for AI founders, at a design company whose clients include Supermemory, Odyssey and Metaforms.

Guest Mentor · 10kdesigners — Aug 2025 – Present

Mentoring designers in the 10kdesigners community as a product design generalist.

100xEngineers — Mar 2024 – Feb 2025

- Lead Designer — Jul 2024 – Feb 2025
- Design Intern — Mar 2024 – Jul 2024

SELECTED WORK

Supermemory $3M Pre-Seed

Web, visual and motion design. Brand workshop, the first website and the Nova landing page.

Odyssey $310M Series B

Visual and web design for an AI lab building real-time world simulation.

Metaforms $9M Series A

Web design and technical illustration: the homepage, three pages and every technical illustration.

Nyayanidhi $2M Seed

Brand and logo system, website design and development, and motion for a legal-tech platform.

Turiya

Product, UX/UI and interaction design, plus a design system, for a spiritual AI companion app built around voice conversation.

EDUCATION

Srishti Manipal Institute of Art, Design and Technology — Aug 2021 – Aug 2024

BVoc, User Interface and Interaction Engineering
